Re: Recent Auto Accident

Dear Jonathan Hatch,

It is my understanding that you may have been injured in an accident. I understand that this may be a very difficult time for you and your family, but I feel that it is important that you know your rights and that you begin protecting those rights as soon as possible.

As an attorney who used to represent insurance companies, I know that the insurance company for the other driver is busy protecting its rights by investigating the accident, taking witness statements, and taking photographs, all to preserve evidence to use against you. Therefore, it is important that someone begins preserving evidence for you.

If you have any questions regarding your personal injury claim, please give us a call **TOLL FREE** at **(866) 427-2121**. At Davis & Gelshenen LLP there are no fees charged unless I win your case. I handle cases throughout the state of North Carolina, and I can meet with you at your home to discuss your case.

Very Truly Yours,

John J. Gelshenen
